

Sharon Mullins

Trust Leader

Returning after the summer holiday always seems so exciting as we start another school year and this one has not been any different.

Our schools across the trust have been able to return ready for autumn curriculum learning with some fantastic new environments and areas. As a trust our vision is to ensure that all of our children and young people can learn for life and to achieve this also means making sure our schools are places to motivate and support good learning for all.

Over the summer we have been busy upgrading areas of our schools buildings and sites to enable this vision to be realised and this newsletter aims to show the improvements which have taken place so far.

From outdoor early years learning areas to classroom refurbishments, re-roofing, drainage and toilets there has been a lot of positive changes. These will benefit the staff and children in our schools and we have further improvements planned in the future. I look forward to being able to share these with you very soon!

Arnesby

In recent months, we have installed brand new signage throughout our school site, with the last signs being placed over the summer!

We have also had brand new safeguarding fencing installed, ensuring our playground remains secure for our pupils.

Brockington

To ensure that our staff have sufficient space and amenities, we have undertaken a full renovation of our main office, which includes plenty of desk space, an office for our IT Team and a suitable meeting space for all to use.

The overhaul of our school roof was also completed.

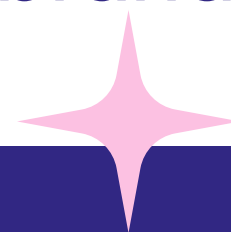

Croft

We have a brand new EYFS outdoor learning area for our pupils, the grand opening of which was conducted by South Leicestershire MP, Alberto Costa.

Additionally, our indoor EYFS area has received an upgrade with brand new toilets!

Huncote

During the summer, we completed our flood prevention work and revamped the layout of our ceiling grids.

We have many exciting projects ahead, so watch this space!

Manorfield

We have a new outdoor learning area, featuring a reading and teaching canopy! We intend to equip this space with various activities and equipment for our pupils.

Rawlins

Our Sixth Form hub has had brand new safeguarding doors installed, ensuring the safety of our students.

Our L Block building has had a brand new roof ready for the wet weather!

We also have a brand new pastoral base and catering pod for students and staff.

Sherrier

Our EYFS internal space has undergone a full refurbishment, including new flooring in our outdoor learning area.

Additionally, our hall has been freshly decorated, and we've created a new art area along with improved storage solutions!

St Peter's Whetstone

A priority for Embrace is enhancing the provision and support for EYFS within our primary schools.

As a result of this, we have had a fresh, new outdoor area installed for our youngest learners!

St Peter's

Market
Bosworth

This summer, we installed new LED lighting and gave our school's open areas a fresh coat of paint.

With many exciting projects on the horizon, stay tuned for updates!

Swinford

Our school site has had improved safeguarding fencing fitted to ensure the safety of our pupils.

Additionally, we have some thrilling plans in store for our outdoor EYFS area!

Embrace Annual Staff Conference

As a trust we believe that development and learning underpins all that we do - all staff from across the trust will be attending our Embrace Staff Conference in November as part of this commitment and to live out our shared values which include wisdom, collaboration and inclusivity.

Nurturing Curiosity

Pause, ponder, possibility

Embrace the silence, optimise the curiosity

The first Embrace MAT Conference is an opportunity for all members of the Embrace community to come together to pause, ponder and explore the possibilities to inspire and enrich the lives of our pupils.

The conference will feature a diverse range of sessions, insightful workshop streams, knowledgeable keynote speakers and informative stall holders.

Getting to know St Peter's

Market
Bosworth

St Peter's Church of England Primary School in Market Bosworth is the latest school to become part of our family of schools.
